

## **James M. Hancock, R.Ph.**

Mr. Hancock is a veteran employee of QS/1 with more than 25 years service. He has been successfully marketing and selling QS/1 solutions to our valued customers for over 20 years. He is currently involved in the marketing and sale of our enhanced PrimeCare GUI product, and is frequently called upon to represent QS/1's products at customer conferences, trade shows and the like. Prior to becoming the PrimeCare Sales Manager, Mr. Hancock was a distributor selling QS/1 products and was then the Indianapolis Office Manager from September of 1985 through July of 1998.

Mr. Hancock has a Bachelor of Science degree in pharmacy from the University of Illinois. He worked in an independent pharmacy in central Illinois from the time he was in high school, through college, and for ten years thereafter until coming to work for QS/1. He has been a staff pharmacist, consultant pharmacist, and store manager. He is a member of the American Society of Consultant Pharmacists, American Pharmacist Association, and the National Council for Prescription Drug Programs. His outside interests include railroading, and he is a certified railroad engineer. Mr. Hancock resides in Indianapolis, Indiana, and travels about the United States selling QS/1 solutions to our valued customers and prospective customers.
